Notify MoRIT Executive Director Greg Harris at moritdirector@gmail.com so we can assure your gift gets deposited into the MoRIT fund. It is helpful to know what sorts of securities are being transferred, their approximate value, and the name of your institution making the transfer. At year-end it is wise to give your broker several extra days to complete the transfer.

Notifying MoRIT allows us to document any special instructions about your gift and recognize it as a Trailblazer level gift.

The donation is to the CFOz so you will get a gift receipt from the CFOz. Your gift will benefit the Rock Island Trail and be recognized by MoRIT.
